# Teacher's Pets

I laughingly told Paul for the third time that evening: "Paul, stop calling me. It was just one of those things; a teacher and student find a mutual interest. But it's over; it can't go on. I'm your teacher. It's too dangerous. Stop calling. Leave me alone."

Life was becoming increasingly difficult. There were so many students calling, demanding more of my time than I was willing to give.

I reveled in the propitiousness of my chosen career: As a college drama teacher, I had my pick of the best of handsome, talented, and very sexy young men. And boy, did I take advantage of it. I thought of David, who would soon be arriving for a special "rehearsal." I dismissed Paul from my mind and concentrated on David.

The bell rang just as I zipped up my jeans, my nipples already hardened, pointing at the mere thought of where his finger now ringing my bell would be in a short time. Oh boy, I thought. He sure would be ringing my bell. I laughed as I walked towards the door.

"Hi, David. Just on time," I said very professionally, almost sternly. It was not yet time to make any moves towards him. I was the bait, yes, but as usual the student always had to bring out the hook. I ushered him into my living room where the scripts were already on the two chairs I'd set up for the scene. The scene was perfect, a love scene which had the right words and the right movements. I asked David to begin reading his lines. I stood close to him, attentive, interested, a helpful drama coach, a teacher.

He began to read hesitantly, then more strongly. I asked him to move his face just slightly to the right. As he did so his lips brushed against my nipples. I could see the blood rush to his forehead, sweeping up from his neck. He stammered, "I'm so sorry."

"Don't worry about that, the scene has to be played just right," I said as I held his still-red face in my hands, close to my heaving breast.

"Now keep your face in this direction, and speak the lines," I told him as I put my face close to his. "Remember, you're in love; you're speaking directly into your beloved's eyes." My lips were practically on his as I spoke. I enunciated each word so that small currents of warm air tickled his nose and lips as I spoke. I knew the aroma of my perfume was reaching him. I knew my closeness was stirring him. I was almost ready to move, but not quite yet. I had to wait for him to beckon me in some way. After all, I was his teacher, and he my student. I didn't want him to think that any of this was

my idea; not at all.

He began again. "I want you desperately. I can't live without you. I want you in my arms, your body next to mine, your warmth giving me the very sense of life I do not have unless I am with you."

He spoke slowly, his breathing coming faster and faster. His pupils were dilating, his nostrils flaring. "Go on," I said, encouraging him to finish his lines. "Finish the scene in which he takes the girl in his arms and kisses her passionately."

"Uh, Ms. Lauren, are you sure? I mean is it okay to really go on?"

"David, stop being silly," I whispered. "You're an actor; I'm your drama teacher. Of course it's okay."

He began one more time. "I want you desperately, I can't live without you." His words were barely audible. I could feel the tightness in his body, the tension in the air. My own heart was beating so wildly I was sure David could hear it. I tried to remain cool, the professional drama professor, the objective teacher appraising and encouraging. But both of us had gone beyond that point. It was just as I'd planned; just as I'd planned with so many other students, so many times before. Yet I always felt the stir of passion, the flow of juices as intensely, as wildly, as if it were a spontaneous seduction.

David reached for me, attempting to continue the line. "I want you in my arms," his voice was a cry of anguish, a kind of high-pitched screech which tingled along my spine and caused a rush of heat throughout my body.

His mouth was on mine, hungrily demanding, pulling my tongue into his mouth. His hands roamed my body so quickly, so powerfully that I was truly swept up against him, held tightly to his chest, unable to move.

I'd planned the evening perfectly. Every detail was considered. My jeans slid from my body when David's hands deftly touched the zipper, bringing them down to my moistening flesh. His hand slipped between my legs, stroking my pussy lips, and kneading my pelvic bone with the palm and wrist of his hand.

The look on David's face was incredible. His eye widened, and his mouth opened as he saw my tits for the first time.

"Oh, Ms. Lauren," he sighed, releasing my pussy and cupping my boobs with both hands. His fingers pulled away at their first touch as he exclaimed, "Oh God, how soft, how delicious." His retreat was very brief as his hands pulled me down on the floor, his mouth devouring my face, his hands stroking and pulling on my tits wildly, uncontrollably.

He seemed obsessed with my tits and my mouth but my body was crying for more attention to other parts. As usual, I had to take over as drama coach and director. The first time with a new lover they are always a bit frightened; a bit shy, even somewhat inexperienced. I took David's face and gently looked into his eyes, kissing his brows, his nose, his lips. As I did so, I moved my body ever so slightly upwards. Then I released David's face directly between my hardened, pointing tits.

He was a wonderful student as always, and his mouth played tunes my tits had never felt before. He alternated with nibbles and bites, licks and sucks. My nipples were aching deliciously as I writhed around, wanting him to take the entire tit into his mouth.

By then I was wanting still more. Again, David was entranced with his sucking and nibbling first one tit then the other, stroking my back and hair, my face and arms, as he sucked and licked.

I moved slowly so as not to break the mood, slipping my jeans down my hips and freeing my cunt and legs so that David could have easy access. I began unbuttoning his shirt. As I did so, again I slid his body, moving it gently down my belly. His face rubbed into my belly and my hips. His mouth ever licking, ever sucking. Each part of me that his mouth found was eaten and licked with a hunger that drove me totally insane. Finally, unable to restrain myself I thrust my pelvis into the air, my pussy directly in David's face.

He was shy and needed some encouragement, but he was obviously an experienced pussy-licker. His mouth enclosed my lips completely as his tongue moved under the outer lips, then inside the inner lips. He lifted my knees and knelt between my legs. His tongue burrowed itself into my hot juicy recesses, circled around and around, driving my

body off the floor, my back arched, my screams wildly confirming the glory of his actions, the joy of his tongue.

He'd ripped his shirt off and was struggling with his belt. I couldn't help if I wanted to. I was heaving with swells of passion throughout my body. David's tongue was replaced by his fingers if he was too occupied for one or the other as he struggled out of his pants.

I felt a hard, huge dick against my thighs, as he moved upward, his face at mine, his mouth on mine. He then plowed into me, releasing the orgasm that had been building as his darting tongue and devouring lips had explored my cunt.

My spasms tightened my pussy around David's cock as he rammed into me with a fury and passion that began to bring me to another climax. But he shot into me screaming and moaning, burying his face into my neck. His body was rocking back and forth on top of mine, his lips sucking my

shoulder, my neck, my throat. He moved slowly, gently, his dick still hard enough to remain inside my swollen, soaked, and satisfied cunt.

He moved down and managed to suck on my tits, first one nipple then the other. His cock grew slowly inside me. I could feel the pulsations of it, moving in and out, growing larger and larger. Suddenly, the slow, easy motions stopped. He lifted my ass from the floor, my feet flat. David was on his knees. He was fucking me, pulling me from him and towards him, forcing himself into me, deeper and deeper, harder and harder.

I pulled my nipples to my mouth and began sucking on them, tightening my knees around David's hips. I was wild, clawing at him with one hand and sucking my tits while holding them up to my mouth with the other hand.

David watched me with narrowed eyes, his breathing hard and loud. His body was wildly rushing against me, pulling me against him. We both exploded again and again. Juice was flying around the room. We were soaked with cum and sweat, laughing and crying with the joy of our wildness and incredible sensations of passion. He fell next to me holding me tightly to his body. We kissed and held each other tightly for a long time.

Finally I knew that I had to say something. I stroked his flaccid penis as I looked into his eyes. "This was a one-time thing. We can't take it seriously. It was wonderful and I loved it. But you're a student, I'm a teacher. We'd both be in a shit-load of trouble if anyone found out."

I knew my lines well; I'd said them to so many beautiful young men. His cock was growing in my hands. His words of protestations were murmured against my ears as he sucked on my lobes and licked at my face. "No, Ms. Lauren. No, I can't give you up, not now, not after this."

So many of my students had said these words to me before. "But you must, David. We both must. It just is too dangerous."

Almost instantly his cock was in me, my body following his rhythm, my heart pounding, my arms welcoming him. My words were stopped.

Later, long after David had gone, the pleasure of his body was still within me. I purred like a kitten as I stretched out on my king-size bed. It was wonderful having all of this good stuff at my beck and call, I thought, when my serenity was interrupted by a call coming in to my phone.

Oh, no. Not Paul again, I thought worriedly, afraid that he really would become a pest and make trouble for me. "Hello," I said tentatively.

"Hey, Jill. It's me and I'm coming over. If you've got one of your students over there get rid of him."

"Goddam it, Tom," I shouted. "Can't you be a little more romantic? You don't have to be nasty in order to get some pussy, you know."

"Okay, sweetheart. I'll be right over." Tom was the school custodian and he had me by the balls, or so he liked to think. I thought back to that almost catastrophic afternoon the year before when Tom caught Stephen and me, right there on the stage in the school auditorium.

I'd been planning to get a feel of Stephen's big dick from the moment I laid eyes on him. I'd even set the "stage" for it, so to speak, and had invited him home for some "special rehearsal" that very night.

But fate—or should I say, my horny cunt and his uncontrollable cock—got the better of us. We were on stage 'rehearsing' after the rest of the cast had gone. After our rehearsal Tom suddenly appeared, promising me he'd keep his mouth shut as long as I'd agree to give him what I gave to my students.

"What are you up to, Jill?" he asked lovingly. "Starting without me?"

I didn't have to answer because he was right there, helping me along with his tongue even as he ripped his clothes off.

"Remember Michael, honey?" he asked as he soft-fucked me.

"Oh yeah, Michael," I replied, moving my body softly in rhythm with his. I loved the way Tom could control his movements as he did what he called "soft fucking."

We just kind of swayed, barely moving really, flowing in and out of each other, going wild with the tension, building it up and up and up. Tom loved to talk about the students I'd seduced, and especially the ones we'd had

threesomes with.

Michael was one of them. We both got real excited as we reminisced about Michael's high-powered tongue. "Wow, babe. I loved fucking you when he was eating your pussy. You know I could feel that tongue against my balls and along the base of my cock, as I plowed in and out of you. It was the best; I mean the absolute best."

Tom was ramming deep into me as he spoke, his movements going faster and faster. My cunt was twitching, remembering how it felt to be licked and sucked on while a cock went in and out with high-speed fury.

"Oh, wow. Yeah, baby, yeah. I remember," I moaned, thrusting up against Tom's body, moving faster to keep pace with his rhythm. My ass in the air, my tits flying, my juices hitting his thighs and hair and belly.

"What about that kid Patrick? Remember Patrick?" he puffed, barely able to speak now. His movements were wild,

as he leaned down to suck on my tits, imitating the huge mouth Patrick had and how he always loved sucking on my entire tit, not just the nipple but all of the skin, all of it.

"Yeah, baby, wow, yeah," I moaned, not able to think of anything else; my body was wild, hot, frantic. My mind was a blur. Boys, all of them came towards me, their delicious mouths, their hard arms, their wonderful bodies; all became Tom, as he fucked me and fucked me. My thoughts were wild as my body, my mind as high and juiced up as my cunt.

Tom pounded, his fever rising to meet mine and it all came tumbling down on us as we flowed into each other in a wild frenzy of erotic memories and the joy of a wild cock pounding into a hot cunt.

We lay back, swooning with the heat of our bodies and the sway of our feelings. Quietly relaxing, we lay in each other's arms for a few moments. Then, as always, Tom said: "Okay, Jill. I'll keep quiet a while longer but you never know, so you better not get out of line."

And just as inevitably we both laughed and I began to tell him of my latest escapade. It wasn't two minutes before Tom's dick was at the ready again and he showed me just how good a lover he was, after all...

I work at this trendy, fast-fashion store at the mall. I've noticed this one sales guy always checking me out. So today I got the courage to ask him to have lunch with me. Little did he know lunch would be at my apartment right across the street. As soon as we got to my front door we started making out and before I knew it, I was ass up on my sofa begging for cock.

**A GREAT WAY TO END THE DAY**

# MOUTHS AND PUSSIES AND COCKS, OH MY!

## THE LIFEGUARD

When people ask about that day, I honestly tell them that all I remember is waking up to the most luscious pair of lips I could ever imagine. Somehow, I'd gotten washed out to sea, and by the time I was pulled back to shore, this beauty was standing over me, her lips coming down to meet mine. I returned her kiss, and ever since then, she's been all I can think about. To be fair, she made it so easy.

After rescuing me, she insisted I follow her to the station for a report. I was a little shaken, but who was I to argue, so I did what she asked. She told me her name was Kari and asked me all the usual questions on the way. When we got to the station, which was more of a dark shed, she pulled me inside and led me over to a desk. As my eyes adjusted to the dark, I could just make out the lifeguard, a shadow among shadows, going through an odd series of motions, like a dance. And before I knew it, she was right in front of me, arms reaching out to pull me in closer. She told

me that she needed to check on my strength after what I'd been through.

And she was already naked. In the dark, I hadn't seen her take off her bright red swimsuit through her dance, but now, I could feel her chest pressing into mine, flesh on flesh, her nipples hard and pointing into me. I was pretty much instantly reactive, my dick throbbing in my suddenly tight, wet trunks. She pulled me away from the desk long enough to free me of my shorts, then led me back, leaning me against the surface. Her eyes lit up to see how interested I was. With a wicked smile, she pulled her chest up mine, letting my meat slide down her deep cleavage and across her flat chest. She then pulled herself up and started dancing across my lap, my already heavy member throbbing with delight.

Kari commented that my reaction was very good, but that she was going to need to keep going to be sure that she got all the information she needed. I told her to get whatever information she needed. With a smirking nod, she lowered herself down

my chest, to her knees so that she was staring right at my rod. She slowly reached out and cradled my cock with one hand and my balls in the other. Her touch was light, but commanding. She was in control for whatever she needed, and we both knew it. Her examination was thorough and even professional, her eyes moving all around, taking in every thick vein, reacting to each throb. Finally, without warning, her lips closed in right around the tip, and she kissed it.

I threw my head back as Kari started making out with my cock. Her lips moved slowly, with each kiss seeming to take in a little more. It felt like a few minutes before she had enveloped the head, and several more for her to take the whole thing in. Yet, for all her pace, her grace and knowledge kept me from becoming impatient. By the time she'd taken in my whole dick, I was gasping for air and feeling like I was ready to explode already. Even then, she had a way to hold me back that I still don't understand. I built up but didn't let loose for as long as she wanted to play with me. And I have no idea how long she

managed it.

Apparently, this was good self-control, and when she was done, she rewarded me by letting my dick slide up her chest again. After that, it was the true test of strength. She pulled me up from the desk and bent herself over it face down, giving me direct access to either hole. She said nothing as I lined up her ass and moaned with pleasure as I pressed myself deep inside.

Her hands found their way under her body, and she started fingering herself as I got myself into a quick rhythm. Even now, so close to the edge, she seemed to have some sort of spell cast over me that kept me right there. I went harder. I went faster. It seemed like what she wanted, her screams of pleasure louder each time.

I finally worked up a furious pace, her cries of “yes!” echoing through the shed. When I erupted deep in her ass, I felt waves of shock, almost pulling all of me out. I must have shot more than I ever had before, while she turned back around and lay me back on the desk gently to recover.

We’ve been dating for four years now, and even now, Kari still surprises me!

## MASTERPIECE

The tiny men’s room reeked of stale smoke and piss. There was no proper toilet, just an ancient urinal brimming with cigarette butts. Mel had every intention of adding to the filth. Coffin nail jutting from his mouth, he stood there, unzipped his pants, and proceeded to drain the main vein.

He had been drinking beer at his preferred dive bar for a good four hours. Now he was thoroughly soused and feeling no pain; at least none of the physical variety. Emotional pain was an altogether different animal. Mel knew a lot about emotional pain. Good old fashioned heartache, he thought, trying and failing to forget about Ann.

She had dumped him two weeks ago, kicking him out of her apartment after a rather nasty row regarding his lack of professional ambition. Mel had a college degree, yet worked a lowly

retail gig earning the minimum wage. He wrote poetry, too.

“I’ll show her,” Mel muttered around his cigarette.

The wall above the urinal was covered with all manner of dirty doodles. Hell, Mel thought, I can do better than that. He finished his business, zipped up, and retrieved the trusty pen from his shirt pocket. Any poet worth their salt never left home without a pen. Peering at the wall through his drunken haze, he went to work . . .

An exceedingly horny Ann was reaching for the dildo on her night stand when she received the text. She didn’t recognize the number. The sender had sent her a photo of a rather filthy rest room wall adorned with the usual shit house graffiti. One particular contribution caused her to gasp. Ann is a slut. This was followed by her cell number.

“Mel,” she muttered with growing anger. “That asshole . . .”

A follow up message arrived just a few seconds later. Ann opened the attachment immediately. The guy, who-

ever he was, had taken a dick pic. His was a big dick, very big. Ann grinned. Then, having forgotten all about her dildo, she called the number.

"I can't believe this is happening," the guy said.

"What? That I called you?"

"You didn't just call me," he told Ann. "You actually invited me over!"

Having just downed a cup of coffee to sober up, he stood at the kitchen sink, gesticulating wildly as Ann gave him her undivided attention. She was pleasantly surprised with his appearance. Not that an ugly mug or a flabby physique would've mattered. Unless he was pulling a bait and switch, the guy was seriously endowed. The moment of truth had arrived.

"I hope you didn't come here to talk," Ann said.

"No, I didn't."

He dropped his pants and whipped it out, confirming that he was on the level. His cock and the cock in the pic were one and the same. Ann squatted before him and licked his thick shaft, base to cap, varnishing it with the ut-

most care. He groaned as she dipped low to service his balls, sucking and nibbling them. She felt his hands on her head, his fingers probing her scalp. Ann had always liked balls. This guy had a huge pair; in more ways than one. Anatomically speaking, sure; but also in his willingness to take risks; after all, he hadn't known her at all. The number on the rest room wall could've been a ploy. She could've been anybody, even a dangerous criminal, armed and ready, waiting for him to show up, waiting to rob him blind.

This freewheeling quality turned Ann on something fierce. She took him in her mouth, devouring his mammoth rod greedily. Her head pumped back and forth, priming him for her pussy. She couldn't wait to have him inside her, stuffing every inch of her wet cunt. It was going to feel amazing, sating her lust in a way that Mel never could.

Her gentleman caller took control, holding her head stationary while thrusting his hips, fucking her face aggressively, fast and hard.

Ann gagged. Frothy spittle ran down her chin in bubbly rivulets. He pulled out, waving his glistening prick in her face, smacking her cheek with it, taunting her. Ann couldn't wait any

longer. She led him to her bedroom; there she undressed and lay on the bed, spreading her legs. Rubbing her pussy vigorously, Ann begged him to fuck her good and proper, begged this complete stranger to ream her slutty hole. The stranger didn't let her down. He mounted without delay, plunging his cock deep. Then he worked his pelvis, worked it like a battering ram, a jackhammer, a steel piston, jabbing it in and out with speed and force.

It was the best Ann had ever had, by far. His size and stamina made for an unbeatable combination. She lowered a hand and rubbed her clit, using the other to rove all over her tits. The extra stimulation pushed her over the edge. She came seconds before her partner pulled out and dumped his load all over her quivering stomach.

Later that night, after the stranger had gone home, after she had taken a shower and gotten in bed, Ann thought about Mel. Perhaps she hadn't given him enough credit. Maybe he wasn't such a bad poet, after all. The simple line he had scrawled on the rest room wall – Ann is a slut – wouldn't win any literary prizes, but it had gotten her laid.

In this respect, it was his masterpiece.

## JILLIAN

If you like your blow jobs sloppy, then you'll absolutely love seeing Jillian do what she does best. She's invited Seth to stop by and play in the pool with her. Fortunately, pool rules are No Swimsuits, so the clothes are dropped on the lawn and the fun begins. This natural beauty will stop at nothing to make sure her man is completely satisfied.
